*" TAPE's work regularly
surpasses the commonly
accepted technical and
professional standard. "*

- Government COR

Technical and Project Engineering, LLC (TAPE) is a trusted provider of solutions for training, IT, and management. Our experts help clients solve complex challenges by integrating internal expertise with existing processes. We develop software that builds readiness by modeling financial requirements for individual as well as unit training. We support a wide range of training, modeling and simulation, visual, and virtual systems. We also help develop services that track acquisition support and logistics for training facilities and devices. Whether the challenge is keeping our nation safe or making the military or government more efficient and cost effective, **TAPE provides measurable results.**

TAPEAbilities®: TRAINING & READINESS SOLUTIONS

INSTRUCTIONAL SUPPORT

- Performance Based Instruction
- SME Instructional Support
 - Systems integration, installation, and testing
- New Equipment Training Requirements
- Learning Verification Testing
- Instructional Systems Design
- Curriculum Development
- POI Development & Validation
 - Training Assessments and Evaluations
- Readiness Assessments

LOGISTICS SUPPORT

- Inventory and Order Management
- Performance Based Logistics
- System & Equipment / Fielding and Deployment Support
- Life Cycle Maintenance
- Warehouse Management and Support
- Supply Chain Management

LVC / STE SUPPORT

- Live - Virtual – Constructive (LVC) Support
- Synthetic Training Environment (STE) Support
 - Modeling and Simulation Training Requirements
- Operational Systems Training
- Exercise & Scenario Planning
- Image Generator (IG) Expertise
- Synthetic Environment (SE) Development
 - Visual Systems Integration
- Training & Platform Management

Why TAPE?

- Develops, operates, & maintains nine Army training models, since '07
- Provided seven years of SETA support for Army PEO for Simulation, Training and Instrumentation
- Researches latest instructional design and cognitive science to improve learning outcomes and assessments
- Advocates data analytics, gamification, and other modern learning engineering-based innovation
- Satellite office in heart of DoD modeling and simulation community for training in Orlando
- Successfully manages large contracts
- Strategic teaming to cover niche capabilities

TAPE is certified with the following ISO standards:

ISO 9001:2015

Quality Management System (QMS)

ISO/IEC 27001:2022

Information Security Management System (ISMS)

ISO/IEC 20000-1:2018

Service Management System (SMS)

Small Business Certifications

TAPE CONTRACT VEHICLES

GSA VETS 2 GWAC

Best-in-Class GWAC, set aside for service disabled Veteran Owned Small Business. It is designed to meet diverse agency IT services requirements, including new and emerging technologies.

[Link to GSA's VETS 2 GWAC](#)
