

Technical and Project Engineering, LLC (TAPE) is pleased and honored to announce it has been awarded three Prime Multi-Agency Contracts (MACs) under the General Services Administration (GSA) One Acquisition Solutions for Integrated Services Plus (OASIS+) umbrella and include the following:

- Total Small Business (SB)
- Service-Disabled Veteran-Owned Small Business (SDVOSB)
- Woman-Owned Small Business (WOSB)

For each MAC, TAPE was awarded two domains:

Management and Advisory (M&A)

Technical and Engineering (T&E)

TAPE is excited to support the OASIS+ Government Wide Acquisition Contract (GWAC) and begin bidding on task orders in the M&A and T&E domains, going forward.

TAPE Vice President of Business Development, Ron Gibbs said, "TAPE is proud of its continued GSA contract award success, having secured positions previously on GSA Multiple Award Schedule. We look forward to expanding our offerings to even more customers using GSA OASIS+ for the next decade."

Founded in 2003, TAPE is service-disabled, veteran-owned, and woman-owned small business. TAPE provides support for Operational Security, Training, Information Technology Services, Logistics, and Cybersecurity. Additionally, TAPE provides niche Program Support and Professional Services to US Government agencies. Specifically, TAPE currently supports the US Army, the Department of Homeland Security, and Department of State with efforts in nine US states, including Arizona, Arkansas, Florida, Georgia, Louisiana, Maryland, Oklahoma, Texas, and Virginia.
